CASA PALMERO at Pebble Beach Resorts is an intimate Mediterranean-style estate with 24 rooms and suites adorned with orchids delivered daily, each featuring fireplaces and oversized tubs. The Estate features a luxurious living room, lounge, boardroom, library, billiard room, heated outdoor pool and patio. Guests can enjoy two hours of daily complimentary cocktails and hors d'oeuvres as well as nightly complimentary desserts and cordials. Guests also receive exclusive complimentary access to the spa facilities, elevated wellness offerings and complimentary Lexus rides into Carmel-by-the-Sea. Whether lounging in the courtyard or unwinding by the fireplace, Casa Palmero is designed to epitomize the beauty and serenity of coastal living.

Casa Palmero now boasts a refreshed aesthetic in all 24 guestrooms, the main lobby and meeting spaces that blends timeless architectural elements with contemporary comforts. Drawing inspiration from classic Mediterranean villas, the newly renovated Casa Palmero features crisp linen-colored walls, rich warm woods and wrought iron accents. Echoing the natural beauty of the surrounding landscape, the color palette of Casa Palmero is enhanced by cool blues, reminiscent of the fog-kissed Monterey Peninsula. The resort's renovation incorporates a harmonious blend of materials and textures, evoking a sense of warmth and craftsmanship throughout the property. Elegant seating and artisanal tile work beautify every corner and guests will enjoy a redesigned private lounge with indoor & outdoor seating. Additionally our adjoining Five-Star Forbes rated Spa at Pebble Beach also completed a renovation of the locker rooms and wet areas.

Casa Palmero is located along the first fairway of America's #1 Public Golf Course, Pebble Beach Golf Links, and just steps away from The Lodge at Pebble Beach. Adjacent to Casa Palmero is The Spa at Pebble Beach which has received the coveted Forbes Five-Star award since 2014.
